## Announcing the **NEWEST** generation in environment-friendly packaging

## Eco-Green GARMENT BAGS™

Packaging Solutions for A Cleaner World

Here's a great opportunity to let customers know how much you care about the community and the environment. By using **ECO-GREEN™** Garment Bags, you create a cleaner and greener earth, while maintaining "good will" with your customers.

- Biodegradable
- Compostable
- Recyclable

Unlike traditional poly bags, ECO-GREEN™ is made to be an earth-friendly product. It protects garments exactly like any other bag, but begins breaking-down once the product finds its way to a landfill, compost, or natural body of water. It's perfect for clothes, and the environment!

- ECO-GREEN™ is a value-added service for your customers
  - Top Quality, **Made in USA**
  - Standard poly sizes are in stock
  - Available in multiple size options and bag lengths
  - Customization of color, size and store logo ordered upon request

Customers will be aware of your eco-friendly efforts with
